## Route Suggestions

We are always looking to serve more people and add to our routes and stops. Therefore we are open to any requests, whether for long term or for one-time visits. All suggestions will be considered as long as there is space to park and manoeuvre the vehicle safely and conveniently. As a new commitment we will now be visiting most areas on a fortnightly basis. Please contact us directly if you have such a request or any queries about the service.

## The Home Library Service

Is a four weekly service that operates one morning a week and offers a home delivery service in and around Ayr for people who are either housebound or unable to carry books from their local branch Library. Please contact us at the information below if you would like further information on this service.

# Mobile Library Service Schedule 2019

The mobile library covers all of South Ayrshire in a four week cycle that mirrors the normal issue period for books. We try and visit areas which are not served by local branch libraries. We have stops at primary schools, nurseries, retirement communities, sheltered and residential homes, housebound individuals as well as regular places in villages and communities across South Ayrshire.
