

Welcome to 'A Pirate's Life for Me'

The Hallway

Welcome to our 16th century Tudor Street. Its night, as that's when Pirates like to go about! The harbour is near – can you smell the sea?

The Tavern

The dark red colour here evokes a cosy, dimly lit pub, where Pirates make plans, and do deals. Join our crew here!

The Bazaar

A busy market place, where you spend your pirate booty, on looking good and eating well.

The Ship

By now, you'll be ready to sail the seven seas! Have a go at steering the ship, but be careful, if you are rubbish, you'll be walking the plank!

Treasure Island

Can you find the buried treasure?
